

# Thank you!

Whether you've bought or downloaded an item, it really means a lot because it helps me create even more products – both free and paid. You can help me even more if you spread the word about them!

If you have any trouble at all with the files, please don't hesitate to contact me at [contact@jonasstensgaard.com](mailto:contact@jonasstensgaard.com).

## Licenses for bought items

My licenses follow the same Premium and Corporate License as DesignBundles: [Read them here](#).

## Freebie terms

All freebies can be used for both personal and commercial purposes, for yourself or on behalf of a client, or as part of new work. They cannot be sublicensed, resold, shared, transferred, or otherwise redistributed on their own.

## Website

Everything I make goes live on my website first. It's the place to go if you're looking to buy or download my newest creations or if you want to hire me for a project. In case you forgot, the address is [www.jonasstensgaard.com](http://www.jonasstensgaard.com)

## Facebook Page

Don't forget to like and follow my Facebook page: <https://www.facebook.com/jonasstensgaard1> News and updates go live there, and that's also where I share freebies and new releases.
